IN-TENDERS

The Insiders, a band of music industry veterans, took the other fork in the road and are a COVER band, not a tribute. Devoting your gig to just one artist of yore is a tough nut, especially when trying to sell that concept to a club promoter. So The Insiders, whose credentials stem way into Dallas and LA rock lore, hit their marks with everything... it's like going for a Saturday night drive in your older brother's car.

Dallas Observer, "Justin's Pick of the Week", Jan. 14, 2010

The Insiders were launched on the Dallas scene in 2007, and since then we have established ourselves as one of DFW's premier cover bands. The Insiders' music spans a wide variety of genres: from 60's psychedelia to the album rock of the 70s, new wave and 80s metal to the hits of the 90s and the new millenium, our set list includes favorites from multiple generations.

With the vocal prowess of lead singer Jen Gaither-Stricklin, the dual guitars of Sander Hickerson and Randy Williams, and the rock-solid rhythm of bassist Kerry Graves and drummer André Avelar, The Insiders are a rarity in this day and age: a cover band that covers a lot of ground.
